

Client Y

The global automobile brand built on trust and innovation.

Regained trust and compliance excellence by returning to Aparajitha after a shift to a competitor.

Automobile Case Study – II

Services Provided:

- Factory Compliance
- Establishment Compliance
- Payroll Compliance
- Vendor Compliance Audits

For factories & offices across multiple legal entities.

Challenges with Previous Partner

Gaps in vendor audits and compliance follow-ups

Filing delays & documentation errors

Limited proactive monitoring & weak reporting

No visibility into compliance status/reports

Lack of coordination and inadequate support during inspections & notice handling

Lack of consistency in staying updated on regulations and amendments

Increased risk exposure due to unresolved non-compliances

Impact/Outcome

- Streamlined compliance management and averted potential legal exposure.
- Compliance Score:

With Competitor

61%

With Aparajitha

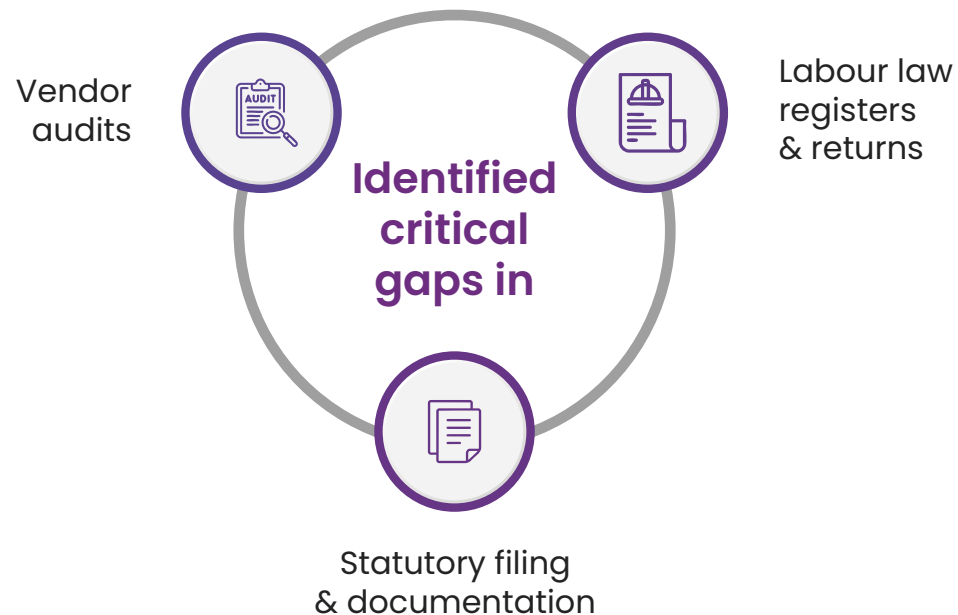

93%

- Closed critical compliance gaps within months of re-engagement – a tangible proof of our credibility and leadership in compliance management.
- Transparent dashboard & reporting restored management confidence

Restoring Compliance Without Compromise

Conducted detailed compliance audit on takeover

Implemented corrective action plan on priority

Introduced structured monitoring & transparent reporting

Strengthened inspection & audit readiness
